7-Hour National USPAP Update Course

Course Description: The underlying theme of all sections are USPAP requirements for ethical behavior and competent performance by appraisers. Discussion will focus on specific USPAP revisions and afford you the opportunity to apply this information through case studies and a review of frequently asked questions and responses of various USPAP topics. The material emphasizes the role of the appraiser, the appraiser's impartiality associated with this role, and helps clarify concepts such as scope of work and when USPAP applies. The special responsibilities of the appraiser with regard to impartiality are explored in detail.

Please Note: The Administrative Rules, which became effective on January 20, 2011 now requires: "A real estate appraiser must complete the 7-hour National USPAP Update Course or its equivalent within 6 months after the effective date of USPAP. Those real estate appraisers issued a license more than 6 months after the effective date of USPAP shall complete the 7-hour National USPAP Update Course within 6 months after licensure."

The 2012-13 USPAP becomes effective on January 1, 2012, so Illinois appraisers must take the course on or before June 30, 2012.
